Dear Helen

Ref: Consultation on the options to continue secondary education in Sandown deadline 24th July 2017

Bembridge Parish Council welcomes the options to continue secondary education in Sandown.

AET have demonstrated that the academy model has not worked for Sandown Bay.

Therefore the option for the Cornerstone federation to continue provision on the site and change the age range seems the best option to go forward.

We must ensure that there is a choice of education within the East Wight for the children living in Bembridge and closing Sandown Bay site would mean removing that choice. We cannot allow that to happen.

Yours sincerely

Emma Goldring
