

Seaview Stroll

Approx. 5 miles - 3 hours

Mix of hard and soft going

Start: Tollgate Café, Bembridge Harbour.

Follow Embankment Road to St. Helens Green. Across the green to The Vine Public House, pick up public footpath up at right hand side of pub and walk to rear of house/allotments/school. Go across fields including a stile and across Eddington Road (busy). Go across fields and stile and follow footpath onto track down rear of houses, onto Seaview front. Break at Pub if wished.

Option 1: Carrying straight on, it's a flat coastal walk into Ryde and then take the bus back.

Option 2: Return to Bembridge. Go up the track at rear of houses, at the top turn left onto footpath then right onto short stretch of road, passing holiday centre on left then left through the hedge following public footpath sign. Go down across field (should be facing Bembridge Harbour views), through a small copse. Turn left, keeping to left hand side across field and over a stile then cross Duver Road. Take path towards the harbour, over Causeway to the rear of houses. Take left over bridge with Harbour Offices on right. At the Embankment Road, turn left.

Option 1: Embankment Road round to Tollgate Café

Option 2: Cross the road at this point onto old railway track, takes you down to marshes then follow path back to Embankment Road to café.
