Dear Mrs White

Thank you for the questions at Full Council on 19th December during the public forum.

You made observations at the Extraordinary Meeting on 5th December that you felt were not addressed. This was the consideration to increase the precept due to increasing costs, inflation and your view to fund earmarked reserved.

Marianne Sullivan responded verbally that the budget has been approved and precept set and it was wise to stay with what we did.

You said that we should follow the format of the Cloisters for fundraising to form a committee, works progressed that could be replicated for 5/7 High Street and the Village Hall such as selling bricks etc. rather than take out a loan.

Marianne Sullivan responded verbally to say yes this needs to be considered and to make a plan and garner support.

Yours sincerely
